Monaghan	CBH04767	Monaghan County Museum	Street Exhibition	Monaghan County Museums Street Exhibition will use twenty historic images from our photographic collection and place them at specific locations in Monaghan Town. Each image will be located beside an area, a building or monument that it represents. The images will illustrate how the town looked in the 1900s in comparison to the present day.	1,500
Monaghan	CBH05276	Old School Boxing Club	Old School Boxing Club	To carry out essential repairs to the buildings roof, gutters, stone wall and painting of facia and interior of windows.	4,000
Offaly	CBH04812	Pullough Residents' Development Association	Memories of Turraun: the heritage of early industrial peat harvesting	This project will sketch the cultural memory of early industrial peat harvesting in Turraun, one of the first sites of its kind in Ireland. While some research has been done on the 'bigger picture' history, less attention has been paid to the social history. Our project will conduct 5 oral history interviews with workers from the time. This will be presented at an event in heritage week alongside text-based research and images. We will also hold a guided walk on the site of the original camps.	1,000
Offaly	CBH04906	Banagher Tidy Towns	Saving Banagher's Swifts	This is a community led conservation project aimed at increasing the presence and awareness of swifts, a migrant bird undergoing significant decline in our town. We can play our part in actively helping to conserve this species by installing specially designed nest boxes at suitable sites in our town.	1,500

Project Location	Ref. Number	Organisation Name	Project Title	Description	Rec. Award
Offaly	CBH04959	Mucklagh Community Development Company Limited	Lynally Medieval Church conservation method and tender documents	We wish to collate the fabric survey and condition report from 2003, re-examine and prepare a method statement to submit to the Dept AH&G for approval to proceed with works & for tender documents for contractors. The project will then be ready to proceed when funding for works becomes available.	4,000
Offaly	CBH05341	Gary Hctor	Offaly From The Air	Using the latest drone mounted cameras, we will capture the Georgian architecture of Birr town from the air, exposing the grandeur of the planned, tree-lined malls and the expansive streetscapes. The footage recorded by the drone will be coupled with sweeping Steadicam ground-level macro footage of the Georgian detail in Birr's extensive catalogue of heritage buildings.	4,000
Offaly	CBH05490	BirdWatch Ireland	Cutaways for Communities: Turraun Conservation Plan	Building upon the Cutaways for Communities Development Plan, this project will seek to take forward actions identified in this plan for conservation at Turraun Nature Reserve. These actions will include the preparation of a site conservation plan, and also deliver some community-supported conservation actions.	2,500

Project Location	Ref. Number	Organisation Name	Project Title	Description	Rec. Award
Laois, Offaly & Tipperary	CBH04960	Michele Castiaux	Geology and Geomorphology of the Landscape of the Slieve Bloom Mountains, Co. Laois.	The project will be carried out with secondary schools. It is planned to offer Geography Teachers based in the Midlands a choice between a field trip in the valley of Glenbarrow River, Slieve Bloom Mountains or a series of slideshows on their own premises, although priority will be given to those choosing the field trip. Both field trip and slideshow will focus on the impact of local geology and geomorphology on the local landscape.	1,000
Roscommon	CBH04740	Taughmaconnell Historical & Heritage Group	Dundonnell Castle Archaeological Survey Project	On the back of research completed in 2011 (Curley, D. 'A study of Dundonnell Castle, Co. Roscommon, unpublished MA dissertation) on the multi-period monuments that comprise Dundonnell Castle, Taughmaconnell, Co. Roscommon, the next phase of the project is to apply geophysical techniques to gain a greater understanding of the recycled ringfort summit, as well as a number of features in it's immediate surrounds.	2,000
Roscommon	CBH04748	Irish Heritage Trust	Collective Voices..... Strokestown Park Famine Petitions Community Collection Pilot Project	This project will raise awareness of Strokestown Park and its Great Famine archive by engaging the local community and diaspora in researching the heritage of their town and townlands. Using a community collection model we will explore famine petitions in the archive and use them as a catalyst to gather, interpret and share community memory. The project will have relevance beyond Strokestown; through communities overseas who left as a consequence of the Famine and international academic partners	3,000
